Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Beddgelert Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Annual Governance Statement

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 1: I have seen no evidence that the Council properly approved the accounts in accordance with the Accounts and Audit (Wales) Regulations 2014.
- The Council has failed to provide information required for audit. This has resulted in increased audit fees being charged by to the Council.
- Assertion 3: The Council does not publish all information on its website that it is required to publish.

I am unable to conclude whether or not the Council has proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources

- The Council failed to provide information required for audit.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Information to be provided for audit

The Auditor General has statutory rights of access to information and explanation required for the purpose of his audit functions. Failure to provide this information is an offence as set out in section 53 of the Public Audit (Wales) Act 2004.

Each year, we send to the Council an audit notice that sets out our information requirements and provides a timetable for submission. We did not receive the information we required.

Any additional costs arising from the failure to provide information on a timely basis will be passed on to the Council in full.

We recommend that upon receipt of the audit notice in March 2025, the Council reads the notice carefully so that the Council as a whole understands what is required for the audit and then takes appropriate action to ensure that all of the information required for audit is provided to my team on a timely basis.

There are no further matters I wish to draw to the Council's attention.
